Huduma ya Kutafsiri Biblia katika Lugha za Asili ilianza mwaka 2005 katika mkoa wa Mara. Huduma hii ilianza kwa ushirikiano uliofanywa kati ya viongozi wa makanisa na mashirika mbalimbali na SIL International. Huduma hii inashirikiana na huduma za Kikristo kama vile Chama Cha Biblia cha Tanzania na Life Ministry, pamoja na madhehebu zaidi ya 30 ya Kiprotestanti, Kipentekoste, Kiadventisti, na Kikatoliki.

Huduma hii inafikisha Neno la Mungu kwa makabila mbalimbali katika lugha zao za asili kwa imani ya kwamba Mungu anaongea lugha zote!

Serikali ya Tanzania inathamini lugha za asili. Sera ya Utamaduni inasema hivi:
Lugha za jamii ni hazina kuu ya historia, mila, desturi, teknolojia na utamaduni wetu kwa jumla. Aidha, lugha hizi ni msingi wa lugha yetu ya taifa, yaani Kiswahili. (3.2. Lugha za Jamii)

Huduma ya Kutafsiri Biblia inasaidia katika: kufanya utafiti wa isimu, kutafsiri maandiko mbalimbali pamoja na Biblia, kuanzisha na kuendeleza alfabeti na mifumo ya uandishi, kuanzisha mpango wa kusoma na kuandika, na kuhimiza matumizi ya Biblia.
